**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We grew tired of up/down speeds far less than what we were promised by Comcast, and were excited to learn that Sonic would be offering their top-notch customer service to our neighborhood via new fiber.

We switched three years ago and never looked back. Eliminating local providers like Sonic would be a huge loss for every consumer who benefits from an open, competitive marketplace for internet access. Please reject this USTelecom petition.
